

Rebates-ON

Have you ever wondered how you can gain more rebates from vendors' programs?
Are you maximizing your rebate potential from all the vendors' programs?
Is your company lacking just one certification to hit the next partnership level?
Are you keeping track of all the payments - did you receive full rebate payment?

■ About Us

Above-IT International Technologies was established in order to enable system integrators, ISP's & IT distributors increase their profitability.

Investing over 5 years of R&D, we created "Rebates-On", a software solution that enables you to manage all your programs and rebates in a single integrated secured system.

Rebates-On is a simple and "easy to use" tool that makes life

easier and enables you to **manage multiple vendors' programs** such as HPE, Dell-EMC, IBM, Cisco, Juniper, HP Inc, Microsoft, and others in **one dashboard**.

Our vision: Empower IT integration companies through great software to increase their profitability and become the leading worldwide partner program management platform.

■ What can you gain by using Rebates-ON?

By using Rebates-ON, you can easily manage your vendors' programs, increase cash rebates and improve your profitability.

Vendors offer significant bonuses and cash rebates associated with selling different types of solutions and products. Therefore there is a substantial need to carefully manage the incentive programs given by the vendors.

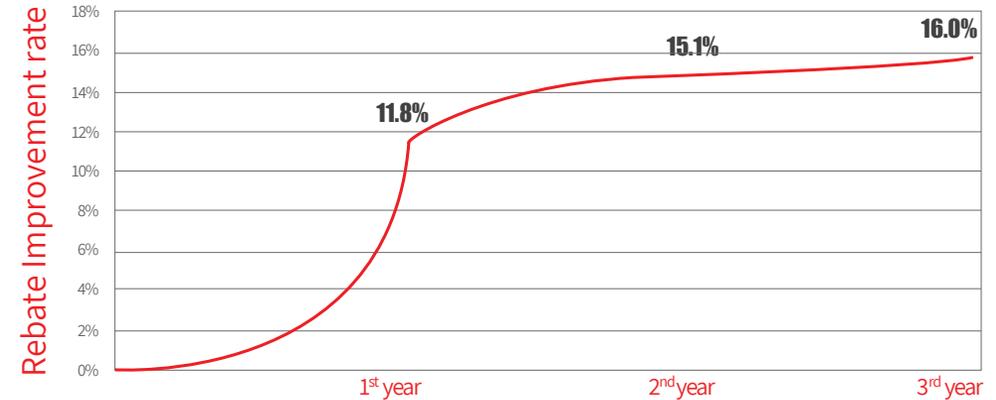

Program Name (Target)	Bonus@100%	Target	Actual	Perf (%)	Delta	Actual Bonus
PPS PC Attach Accelerator (MSA/CE)	7%	25,62K	294,62K	47.3%	(194,62K)	
PPS Personal Systems Accelerator (CE)	7%	71,21K	2,294,62K	98.2%	(4,829,21K)	
PPS Service Computing PPS	13%	75,89K	349,00K	100.0%	(2,00K)	38,01K
Total		172,72K	7,940,24K	3,257,65K		38,01K

In Rebates-ON all information is consolidated in one dashboard.

The main challenges for a system integrator, ISP or IT distributor are to wisely choose the programs to specialize in, the ones that give largest rebates and to lead your business and sales markets accordingly.

■ Rebates-ON past performance
